

# Girl Meets Kitchen

This book will not turn you into Julia Childs. Its not about that. Its about getting you to that first victory in the kitchen. Its about bringing you to that moment when you can pull something delicious out of the oven, when you finally have the satisfaction of showing your mother-in-law that her baby will not die of starvation. Its about finally inviting your girlfriends over for dinner without having to rush the takeout containers to the dumpster before they show up. Its about that pride you will feel as you stand back with your hands on your hips and whisper to yourself I made that! So, whether youre a college student moving away from home for the first time or a career woman whos avoided her kitchen as if it was under quarantine, a love-struck chick trying to hook the man of her dreams or a married gal whos tired of being outshone in the kitchen by her husband, no matter what your situation happens to be, you can learn to cook. And it can be easy. And it can be fun.

Kitchen Meets Girl. 807103 likes 3941 talking about this. Hi there, Im Ashley - the girl in the kitchen. Think you cant cook? Think again!Flourless Pumpkin Chocolate Chip Muffins Breakfast and Breads, Muffins and Baking, Healthier Options, Featured, Fit Meets GirlGrilled Salmon with Brown Butter Citrus Sauce Easy Meal Plan Sunday {Week 11} Unstuffed Chicken Alfredo Shells Easy Meal Plan Sunday {Week 10}A food blog with hundreds of simple and tasty recipes for the home cook and busy families.Other than peppermint and eggnog, my favorite holiday flavor is cranberry. Its just not the Christmas season without cranberry bread, at least in my kitchen.Girl Meets Kitchen. 140 likes. Baking, braising and broiling. Oh my!This Goopy and Cheesy Warm Bacon Dip comes together in less than 30 minutes and is the perfect crowd-pleasing appetizer!The Valentines Day that my son was two years old, I decided Id attempt to bake and frost heart-shaped sugar cookies to send with him to Moms Day Out.Then packed em up to send with the Tall Boy to work. Im wondering if his coworkers think its odd that he shows up with snowmen cookies before Halloween?Doodle went crazy over this dessert, and the Tall Boy {not one to get too excited over desserts}, ate more than one serving so thats pretty much a double Mom life musings mixed with posts of simple, real food.These easy sopapillas need only three ingredients and 15 minutes in the oven. Perfect for Cinco de Mayo!
