How to Negotiate Anything, Anywhere has 38 ratings and 4 reviews. A said: If you have ever wondered what it would be like to have dinner with a friend's temper tantrums no longer working? There are very few things in life that you can't get if you ask for them in a rational manner and offer How to Negotiate Everything. Available Now! There'll be no more hearing no after this clever picture book teaches you how to get everything you want. And the first mistake you can make in a negotiation is not realizing the more you negotiate, the more you realize that everything's negotiable. Negotiate with the right person. You're at a camera shop and you ask the salesperson if he can give you a better price on the item you want, and he says he can't negotiate. All that means, says Miller, is that you need to ask to speak to the manager (or owner, if it's a small shop)—whoever does have that authority. We would waste less time, reduce personal stress and have healthier lives. Negotiation really is the secret of life, the universe and everything.
