

The Incas (Indiana Jones Explores)

This book is part of a series which explores the lost worlds of ancient civilizations. Indiana Jones acts as a guide and brings these ancient worlds to life by introducing young children to the excitement of discovering some of the secrets of the past. He provides information about Inca society, their towns, villages, artefacts, religion, inventions, art, crafts and life style. On each spread is a page from the Indiana Jones fact file. These pages contain unusual or related information which complements the main text. An Indiana Jones information poster is also included.
