

Pier Review: A Road Trip in Search of the Great British Seaside

Fifty-five piers. Two weeks. One eccentric road trip. Before the seaside of their youth disappears forever, two friends from the landlocked Midlands embark on a peculiar journey to see all the surviving pleasure piers in England and Wales. With a clapped-out car and not enough cash, Jon and Danny recruit Midge, a man they barely know, to be their driver, even though he has to be back in a fortnight to sign on. Join Jon and Danny as they take a funny and nostalgic look at Britishness at the beach, amusement in the arcades, and friendship on the road.
